

## Mickey Pencil Lanyard Tag

This hard tag protects everything from accessories to sportswear. It features a modern, defeat-resistant design, and is easily applied and removed at the point-of-sale. The integrated lanyard allows application to a wide variety of hard-to-tag merchandise. This ferrite tag is an unobtrusive, yet visible deterrent and a desirable addition to any existing AM, EAS system.

### Retailer Values

- // Small, aesthetic design minimizes impact to merchandise on display
- // Integrated lanyard allows application to items that cannot be protected with pin-style tags
- // Promotes open merchandising for increased sales
