

SPL Hard Tag

Add an extra level of security to your high-value, high-risk merchandise anywhere in the store. This tag provides top-of-the-line protection for everything from heavy outerwear to delicate intimate garments. It's sleek shape does not detract from high-end items, yet provides a strong visual deterrent. This tag reduces risk of theft when protected merchandise is out of staff's view.

AM pedestal system will alarm if protected products pass through the detection zone. The alarm will stop.

Retailer Values

- // Supertag, the gold standard in asset protection, features a patented clamp design for superior defeat resistance
- // Sleek, aesthetic design helps minimize impact to merchandise on display
- // Reduces lost sales and eliminates labor costs associated with in-store tagging, allowing store associates to better serve customers
- // Improves tagging compliance with tagging at the point of manufacturing
